

APPENDIX SES 6.B: Woodland and Trees - Conservation or Removal Schedule

The following Schedule is based upon the Tree Survey (CBA Trees, March 2007. Submitted as Further Information ref. Fl. 3). For full details of the Tree Survey please refer to the CBA Tree Survey documentation. This schedule should only be referred to for details of which woodland and trees are to be conserved or removed as part of the proposed development.

Drawing No.s 3073/ P/ 08 Rev B and 3073/ P 09 Rev B detail those woodland and trees to be conserved or removed. Tree reference numbers as listed below are shown on the CBA Tree Survey Drawings (No.s CBA.6624.01- SH1 to SH4).
