### **Executive Summary**

This report sets out the financial position for the Council at the end of Quarter 3 2018/19 against the revenue and capital budgets, and provides updates on the position with Reserves and Balances, Council Tax and Business Rates, Treasury Management and Maidstone Property Holdings Ltd.

We are expecting to remain within the agreed overall budget for this financial year. The position for the Council as a whole at the end of the third quarter is an underspend against the revenue budgets of £1.0m. However this figure includes a number of large grants received that will be carried forward into 2019/20.

Capital expenditure totalling £8.539m had been incurred between 1 April and 31 December.

The balance on the general fund is forecast to decrease to £9.9m by 31 March 2019 as earmarked reserves are used as planned for capital investment.

Collection Rates were narrowly missed for both Council Tax and Business Rates.

Growth in business rates measured against the Council's baseline is £0.8m against a forecast of £1.0m.

The Council held investments totalling £30.825m at 31 December 2018.

The report also updates the Committee on Maidstone Property Holdings Limited.

# This report makes the following recommendations to this Committee:

- 1. That the third quarter budget monitoring report attached at Appendix 1 be noted.
- 2. That the asset value of the Christmas Lights (£36,000) as detailed in Appendix 1 is written-off when they are transferred to the BID company; and
