

Maidstone Borough Council

Mote Park Corporate Volunteering

Corporate Volunteering

Maidstone Borough Council's corporate volunteering days at Mote Park enable businesses to make a difference in their community, while gaining practical experience, skills and insights for themselves.

Corporate volunteering is highly valued at Mote Park to engage people in regenerating the park. In return for their time, volunteers will experience a practical fun day which is:

- Challenging
- Motivational
- Educational
- Active and energetic

Team Building

As well as raising the profile of your company, these tasks can help to build and strengthen relationships within teams, boost confidence, and provide an opportunity for a team to interact with each other in an outdoor environment. This in turn can have a beneficial effect on productivity as employees return to work feeling motivated and inspired with:

- Enhanced team morale and efficiency
- Improvement in communications within the team
- Increased positive team interaction back in the office

Activities include:

- Planting trees, shrubs or bulbs
- Pond clearing
- Constructing paths
- Clearing scrub
- Creating new habitats for wildlife

A typical day's itinerary:
