Subject: RE: Invicta Park Barracks

Dear Sue

Thank you for your email.

I have the following response to your question from the Local Plan Inspector.

“DIO can confirm that 2027 is an estimated date for the disposal of Invicta Park Barracks. There is potential for the barracks to be released earlier and DIO is working on ways to speed up the release. DIO will continue to work with Council to bring forward the release date.”

On the family quarters, I am still clarifying the numbers in different areas of the site and will get back to you as soon as possible.

I will be contacting you to arrange another meeting.

I hope this is useful.

Kind regards

Louise
