

## Democracy Committee

05/09/18

### External Board/Outside Body

<b>External Board/Outside Body</b>	Hayle Park Nature Reserve
<b>Councillor(s) represented on the Outside Body/External Board</b>	Paul Wilby Derek Mortimer Brian Clarke
<b>Report Author</b>	Cllr Wilby
<b>Date of External Board/Outside Body Meeting Attended</b>	09/07/18

#### **Purpose of the External Board/Outside Body:**

Manage 30 acres of nature reserve.

#### **Update:**

Please see chairman's report attached.

Since the report work has started on the barn and should be complete for the Mayor to open on 30/09/18 this will cost the trust 130k. We are also repairing/rebuilding the ragstone wall along Hayle Mill road at a cost of 50k.

We are also in talks with MBC about the Dean St tip site. Our aim is to have wildflower meadows with a circular walk around the site, to repair the historic rag stone walls and improve the area for public and wild life.

However MBC seem intent on giving the site to Firmin to aid development of Abbey Gate Farm which is LLV.
